*** REMINDERS, NOTES, HELPFUL INFORMATION ***

- ☺ Keep food in pockets, even walking into ring, and NEVER use it to lure into position. You may treat at the start line AFTER your dog is positioned. Treat before moving to next exercise. Dog should remain in position while receiving treat
- ☺ **STARTER:** You may treat after each stationary exercise whether combined or not.
- ☺ **ZOOM:** You may treat after each exercise, dog must remain standing or 5 pts pff.
- ☺ **Extra cues are PROMPTS to respond.** Anything you do – verbal, hand signal, body language, even raised eyebrows & “The Look” may be considered a prompt. If your dog is responding, it’s considered praise. If not, it’s 3 pts for EACH additional cue. Verbal & visual cues given AT SAME TIME count as one cue.
- ☺ **Luring is NEVER allowed in C-WAGS** Air cookies or similar gestures that get a markedly different response from the dog are considered luring. Remember – targets come out and go back away. Lures are out for prolonged periods.
- ☺ **Make sure you give your dog enough leash** – avoid unnecessary points off! Tight leads WILL be scored.
- ☺ **Please be ready to go when it’s your turn!** You may enter ring at any time after previous team has left – you do not need to wait for my invite. Please keep plenty of space between you and the exit / entering team.
- ☺ If you have **questions** or a reasonable **exercise modification** request – PLEASE ASK ME DURING BRIEFING. We want you and your partners to have a great experience!
- ☺ Please **DO look at your score sheets** after the run. I will try to give helpful feedback and suggestions. Just be sure to return them!
- ☺ **THIS IS SUPPOSED TO BE FUN!** ☺ Keep perspective – support your dog – and enjoy the journey! Your favorite memories will be often be the silly moments, not the Qs.
